

I support media diversity

I am writing to you today to comment on Docket No. 02-277. Since mediadiversity is critical to the functioning of a healthy democracy, I am asking the FCC to postpone its vote on Broadcast Ownership, until Americans have had more opportunities to learn about and discuss the possible consequences of a rollback of media ownership regulations. It is important that the Commission take the time to review these issues more thoroughly and allow the American people to have a meaningful say in the process.

Thank you, Alison Denning
